

Beachfront Apartments

Welcome to Salt – Australia's most exciting beachfront development.

Salt has been meticulously designed to incorporate the very best in beachfront living, with superb beachfront resorts, hotels and conference centres.

At the heart of Salt will be the village centre, where a beachfront tavern, restaurants, coffee shops and large Central Park and Surf Lifesaving Centre will accommodate residents, hotel guests and day trippers.

Apartments within the Peppers Resort and Spa are now available, with owners comfortable in the knowledge that their apartment will be managed by one of Australia's leading hotel operators.

The Peppers Resort at Salt will feature a large conference centre, a Golden Door Health Spa – a renowned retreat for five-star pampering.

All this and just 15 minutes to the Gold Coast Airport.
